Brown Funeral Home is hosting a charity golf tournament at The Woods golf course for the 3rd annual "Operation Rec. Fore Vets". This is a charity event with the proceeds and donations benefiting the veteran men and women in our Martinsburg VA Medical Center. Our goal is to raise money for the recreational therapy for the veterans that benefit from the programs that the Medical Center provides. Over \$9,000 has been raised from the previous tourneys!

The Martinsburg VA Medical Center provides its patients with productive, diversionary/therapeutic activities in seven-days-a-week programs of movies, social events, sports, games and craft. They need our support in order to continue with these quality activities for the men and women who gave so much for us.
